The track and baseball awards were presented next in the form of letters and certificates to those who already had their letters. The track trophy, won by Gould at Colby College, was presented, giving Gould a total of four straight and eight state championships in the last eleven years.

A Certificate of Commendation to Bennett's Garage in recognition and appreciation of their outstanding contribution to traffic safety and for civic service rendered through the loan of a dual control car was then presented by Mr. Ireland.

To close the assembly, the senior class sang their class ode and were off to their day of fun.

After the assembly, the senior class went to Thompson Pond at Oxford, Maine for the annual class picnic. There they all had a very enjoyable time and returned that evening.

On Saturday, June 9, the Alumni Banquet was held in the William Bingham Gymnasium at 12:30 p.m., with Mr. Theodore F. Spear as guest speaker. Following the banquet, the annual Alumni versus Varsity baseball game was played.

The outstanding event of the day was the wonderful Commencement Ball at 8:00 p.m. in the gym, Gordon Howe and his orchestra furnishing the music.

The next morning, Sunday, June 10, the Baccalaureate Service was held at 10:30 a.m. at the Congregational Church. The sermon was delivered by Rev. Herbert S. Craig of Augusta, Maine.

At 2:30 p.m., Sunday afternoon, the Commencement Program for 1956 began as the Class of '56 marched into the gym to the strains of *Pomp and Circumstance*, played by the Gould band.

With the Juniors

With the end of another year, the Class of '58 found that 85 was a considerable number of students with whom to work. The class has co-operated very well with an occasional boost from the following capable officers:

President	Alan Ordway	Secretary	Heath Sandbach

Gehring Hall

It is the night of the Girls' Annual Dormitory Party, and as we stroll from floor to floor enjoying the spotless appearance of each room, we can't help but realize that things couldn't be like this all the time! Let's go back to 10:00 a.m. that same day and get to know the girls that live here nine months of the year.

Starting off on Second Hall, down in the alley we find six girls who are fortunate enough to have drawn the choice senior rooms, (not to forget our house mother, Mrs. Goggin, who is unfortunate enough to live under them!).

Ellie Hardy hides under the covers with her weird collection of stuffed animals and tries to sleep "just a little longer", while Ann Ferris puts on one of her dreamy, relaxing records, "Rock 'n Roll Stage Show," and continues to harmonize to the record that just ended.

In the next room we find Merrily Appleton trying to decide whether she'll break down and empty the waste basket for the first time this year or leave it for her roommate, at which moment Patsy

Elliman's cheery voice shrieks, "Bobbi, will you put the turtles in the bathtub?" She doesn't seem to realize that is exactly where they have been for the past week. Her roommate, Betty Murrell, is deeply engrossed in a book entitled "*Management*."

Jane Yeaton, Dianne Mitchell, Nancy Hibbard, Tali Burns and Jeanne Ernst trudge by, laden with cokes, doughnuts, records, magazines and a "vic" to spend an hour or two in the "Butt Room." They pass Sue Martin, Edie Stevens and Nancy Bales at the hall window, watching the ski team drive off for distant slopes.

In Betsy Wood's and Sylvia Cram's room we find Betsy trying to hang up her confused, mangled washing on a rickety old clothes rack. It must be nice to have the luxuries of life and not have to tie two ski poles together like last year. Sylvia, loyal to her chemistry book even on Saturday, is studying.

As we continue out into the hall, we find Sue Andrews hobbling by on her way downstairs to go uptown with Stanley, via

the mail cart. Oh, for a broken ankle!

Heath Sandbach stands in her doorway trying to interest anybody in an hour or two of skating or skiing. Her roommate, Brenda Barlow, is gone for the day, as usual.

In Mary Huffer's room we find Maryl Erlenmeyer and Sue Kelly, who both live in Saudi Arabia, talking about the wonders of high temperatures, while Mary and her roommate, Judy Graffman, uphold they'd rather have it —40° than 120°.

Sara Ault and Connie Chase are in another argument with Harvy, (their eight foot eleven inch rabbit); Judy Brown looks on with the air of someone who has something better to do than listen to such childishness but can't quite think of what.

Hilda Hubbard and Roz Liston are in Roz's room talking about the oncoming summer at Hilda's home in Costa Rica. Only four months, one week and three days, girls!

Across the way, we find Nancy Gray industriously sweeping dust out of sight (under the bed), while Peg Luke reads her daily letter from Annapolis.

On the way upstairs to Third Hall, we pass Mimi Ashcraft coming down with her usual happy, friendly smile. Time-conscious Liz Stevens is also on her way down in a mad flurry, as usual. She just remembered room inspection was at 10:00, and it's now 10:20.

Down in "Sophomore Alley" we find a clever plan worked out. Pat Philbrook, Sue Dennison, Merideth Bennett, and Sally Webber, who occupy these single rooms, have gotten together, each group of two using one room for their den and another for their bedroom. On our way out we pass Joan Fox, a constant visitor.

The twins, Bonnie and Linda Brady, are trying to decide what to wear today in order to confuse their friends.

Beth Brown and Jane Harmon are in Beth's room thinking of something new they can get into.

Down the hall in Deede McCann's room we find her dozing under a sun lamp; Sue Merrill and Shirley Van Hyning are staring out of the window, Sue with thoughts of the marvelous skiing at Sugarloaf and Shirley thinking about the swimming in Florida.

Across the way, Judy Watson is going through the exercise of pulling her window shade up and down—(a signal to someone in that building across the street called Holden Hall.) Her roommate, Sue Fossett watches with amusement.

Once out in the corridor again, Ellie Watson breezes past us.

Peeking into the next room, we find Sandra Glennie drawing on a piece of scratch paper and trying to act as though she knows nothing at all about the alarm clock that went off at 2:30 a.m. in Jo Makepeace's bureau drawer.

Sylvia Johnson sits on her bed refusing to think about the fact that she must wait on in another hour.

In Anita Morel's and Jean Trowbridge's room we find Anita, Jean, and Pat Joslin hanging out the windows trying to knock icicles off the roof. Careful! You'll hit Sue Day and her escort who are on their way uptown!

Debby Mason passes by on her way to the laundry and breaks into a run when she spies Donnajeanne Bigos down the hall with her laundry bag also. Who can reach the washing machine first?

And, as we go down the stairs on our way out, we meet Deborah Lord and Gerry Brockway just coming in from a trip uptown.

The girls we have just met are all of different personalities and from various places, but they each contribute, in their own way, to life in Gehring Hall.

BOBBI CUMMINS, '57

Holden Hall and Farnsworth House

Now that the year is more than half over and the upper classmen are thinking of the summer, the once confused freshmen having settled securely into the routine of dormitory life, it is time to make a journey through the big brick buildings and see how the fellows live.

Entering the front door of Holden Hall, we see, in passing, Holly Cotton deeply engrossed in watching the "Mickey Mouse Club" on T.V., while Gary Aluisy and Pete Karpowich are engaged in an argument concerning the coming programs, each wanting to watch something different.

Continuing up the hall and taking a sharp right, we hear an uproar coming from the general direction of Charlie Anderson and Steve Karpowich's room. It seems that Bob Draper has confiscated one of their Presley records and a slight argument has resulted.

Leaving this happy scene and stepping

back into the hall, we hear a low buzz sifting through the slats of Gilbert Peterson's door. Upon investigation, we find him and Jim Taylor discussing the good and bad points of King Saud.

Passing the open door of Keith Brown, we see him snoozing peacefully and mumbling something about skiing.

Now hearing a loud, "Hey! Where's the cue ball?", we sally forth to the much appreciated pool room. Standing in the compact group are Smith Dunnack, Sam Appleton, Bob Lovell, Steve Wason and Ben White, while John Luke, brandishing a nineteen ounce cue, is looking angrily in each pocket. While the former group displays blank expressions, Stevie Stephens sits innocently in a far corner, a self-satisfied grin on his face and a tell-tale bulge in his pocket. Sam Appleton is gazing wistfully at the dark clouds over the nearby mountains, searching for some sign of snow.

Continuing on our journey, we proceed towards the end of the hall to go up on the second floor. However, passing an open door, John Vinton is heard muttering while trying to conquer the Helvetians with Caesar.

Now to the second floor, that forbidden land for freshmen, and the realm of the upper-classmen. To find where the boys congregate, all one has to do is follow his ears. Going down the hall about twenty feet, we find ourselves in Al Ordway and Bill Black's room. Al is discussing the possibilities of more snow with Dave Fox, while Vance Bunker and Bill are swapping yarns about lobstering.

Entering the next room, a strumming guitar and a real mad beat is heard. Larry Bragg and his roommate, Rickey Cummins, are playing a Western duet. Larry on the guitar and Rickey unmercifully assailing his algebra book.

Still continuing down the hall, we look in to see Linwood Small pursuing those high marks; keep it up, Lin!

Next we find Stan Cornwall deep in thought wondering if there is a painless way to break a leg.

Kirk Newsom is looking at his girl's picture and thinking of one of last summer's parties.

Pete Nichols and Bill Anderson are swapping ideas on the way to effectively sharpen a straight razor.

Jere Snell and Bill Ide are sneaking into each other's rooms exchanging beds.

John Giddings is trying desperately to find an Alka-Seltzer to relieve a very upset stomach, acquired from worrying about something.

Joe Brenchick is telling Bill Ripley about his latest weekend; "Rip" is meanwhile "bopping" to one of Fat's fabulous discs.

Now advancing from this room, we enter probably the most colorful and cluttered room in the dorm. Jack Reid and Russ Patterson are lying across their beds listening to their records, which blast one from every angle. Jim Hill and Steve Yeaton are pouring forth their talents into Russell's tape recorder, much to the amusement of Steve Smith.

After leaving this "hang-out" and taking a right at the end of the hall, we enter, just in time, to find Walter Tibbetts finishing-up his job of papering his room with pin-ups, while Royden Ward is adding his professional comments concerning their proper angles.

Bill Gallagher and Guy Whitten are discussing the possibilities of good fishing at Moosehead during the coming vacation.

Off to the "buttroom". . . . This room, in one corner of the basement, is the home of many "bull" sessions, and many hours are spent here in relaxation by the smokers of the dorm. At the moment, Jon Day, Norm Buttrick, and Bill Beebe are trying to invent a fool-proof way to get less studying done in more time.

Leaving Holden Hall by the back door, we now walk down the road about two hundred feet to a large brick building by the name of Farnsworth House. This is exclusively for the freshmen.

Dave Watson is in the center of a wild pea shooting battle between Tim Race and Edwin Mitchell. George Morrill is telling John Todd the proper way to take a spot shot.

Robert Allen and Stanley Clark are grumbling to each other about the terrible weather into which they must venture each day as mailmen.

This concludes a brief trip through the boys' dormitories for 1957.

Student Council

The Student Council is an advisory organization designed for the purpose of serving as a means of contact between the student body and the Headmaster. Representatives to this group are first nominated by a designated committee and then elected by popular vote; membership is restricted to four from each of the three upper classes, two from the freshman class, and several faculty advisors.

The promotion of school spirit, loyalty, and good citizenship are among the principal objectives. As an incentive towards the development of such qualities, a citizenship shield is awarded annually by the Student Council to a senior boy and girl who possess characteristics of an outstanding nature.

The Student Council is also responsible for the administration of many of our foremost events, some of which are: Parents' Day, Christmas Formal, selling of food and tickets at athletic contests, the selection of cheerleaders, and the sponsorship of various fund-raising campaigns.

The expenditures of authorized activities fall under the jurisdiction of the Council, which has the power to appropriate portions of the Student Activity Fee for non-budgeted sums. This group discusses problems which arise concerning school functions and tries to meet them as successfully as possible; the introduction of new programs is just one more of its infinite number of duties and accomplishments.

The Blue and Gold

In September 1956, the *Blue and Gold* commenced its fifteenth year of publication, and, as in past years, the paper has had a wide circulation. In addition to those of us at Gould, twenty-nine Gould alumni have subscribed to the paper, and all but one are graduates of the class of '56; also, the exchange editor mails the *Blue and Gold* to approximately twenty-five schools, which, in turn, send us their school papers.

For the first time, various reporters have interviewed the town's prominent citizens, and in each issue the results of these informative interviews have been in the article *Bethel Speaks*. Town Manager O. T. Rozelle, President of the Hanover Dowel Company, Addison Saunders, Superintendent of Schools Donald Christie, Deputy Sheriff Albert Grover, and John

Carter, a member of Gould's Board of Directors, have given their opinions on matters of interest to both town and school, forming of stronger links between the two.

The paper has attempted to replace the "gossip column" by devoting more room to the quoted humor obtained from the exchanges. And for the second year, the girls' sports editor has continued in making a definite effort to emphasize girls' sports by placing them under a definite heading.

The policy of freedom of expression is still being continued and has been most successful; all the members of the staff appreciate this opportunity and try to fulfill their assignments as well as they possibly can.

The co-editors, Mary Huffer and Fred

Feitler, have done an outstanding job in every way, and a large amount of credit must be given to them. All those who read the *Blue and Gold* have thoroughly enjoyed their hard-hitting editorials, which have dealt with many things, ranging from school affairs to topics that are of interest to everyone.

We sincerely thank the Camera Club, under the capable direction of Mr. Foster,

for the fine work that it has done throughout the year and our printer, Mr. Carl Brown, who has shown so much interest in our paper.

Last but not least, we wish to express our gratitude and appreciation to our helpful, patient, and encouraging faculty advisor, Mr. David Thompson.

Musical Activities

This has been another successful year musically at Gould. The various musical organizations, under the able direction and supervision of Walter Marcuse, have each contributed to this success.

The Band has enlarged this year and has perfected many different types of music. Improvements, which have been made, included the repainting of the drums and the purchase of excellent new cymbals. The tradition of playing at each home basketball game has been carried out, and the Band has performed on several other occasions, such as at Winter Carnival and June graduation.

The Annual Vesper Service at Christ-

mas, featuring the school glee clubs, was very well presented and later was rebroadcast over WRUM in Rumford, Maine. The theme of this candlelight ceremony was "Christmas Folkmusic."

The Chapman Club, the most prominent musical organization at Gould, presented an entertaining and varied concert in March. Good co-operation on the part of the Club members aided in the presentation of the theme: "Music—The Universal Language." Also, in March, the Chapman Club traveled to Boston to a concert of the Boston Symphony Orchestra. This was a "first" in the Club activities and a wonderful experience for the group.

The spring concert music was largely contributed by the glee clubs: the Junior-Senior Girls'; the Freshman-Sophomore Girls'; the Boys' Glee Club; the Varsity Glee Club. Other solo and group instrumentals completed the program.

The Music Appreciation Concerts have attracted many of the Gould students this year, and the special music assemblies, each Thursday, have been entertaining for

the student body and faculty alike. It is hoped that we have gained a basic knowledge of the many styles and types of music through these assemblies.

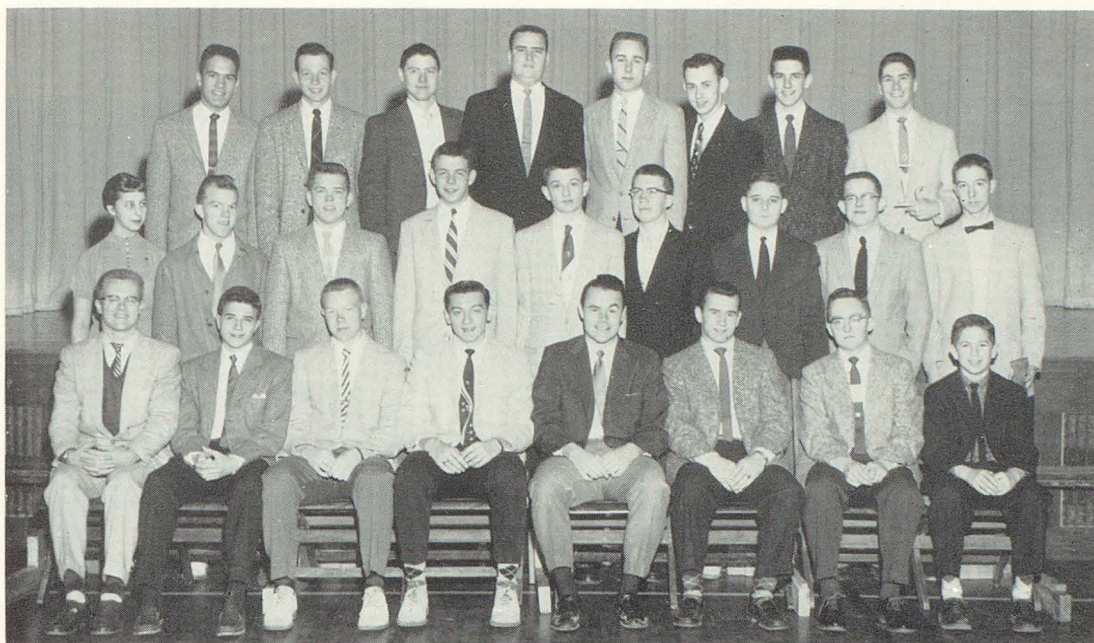

Music and the appreciation of it, in every medium, is very important in the well-rounded life of every individual.

French Club

The officers of the French Club for 1956-1957 were: President, Betty Murrell; Vice-President, Mary Huffer; Secretary, Patsy Elliman; Treasurer, Tali Burns.

Meetings of the Club have ranged in type from the lusty singing of favorite French songs to those of more serious trend in which Mrs. Monique Rolfe spoke to the members of her life in France. Slides of the scenic country were shown also.

The members seemed to be more interested in the mode of living and the activities of the French than in French Literature. Due to this interest, discussions were held on the subject of the chaos of the French Government; pictures and articles

typifying life in France were added to the scrapbook.

In the tradition of the French Club was the Christmas party at which were exchanged gifts. Delicious yule logs and fruit punch were served.

On the night before Christmas vacation, the members gathered with other French students to go French caroling. As always, there was a jovial group which gave added enjoyment to many families in Bethel.

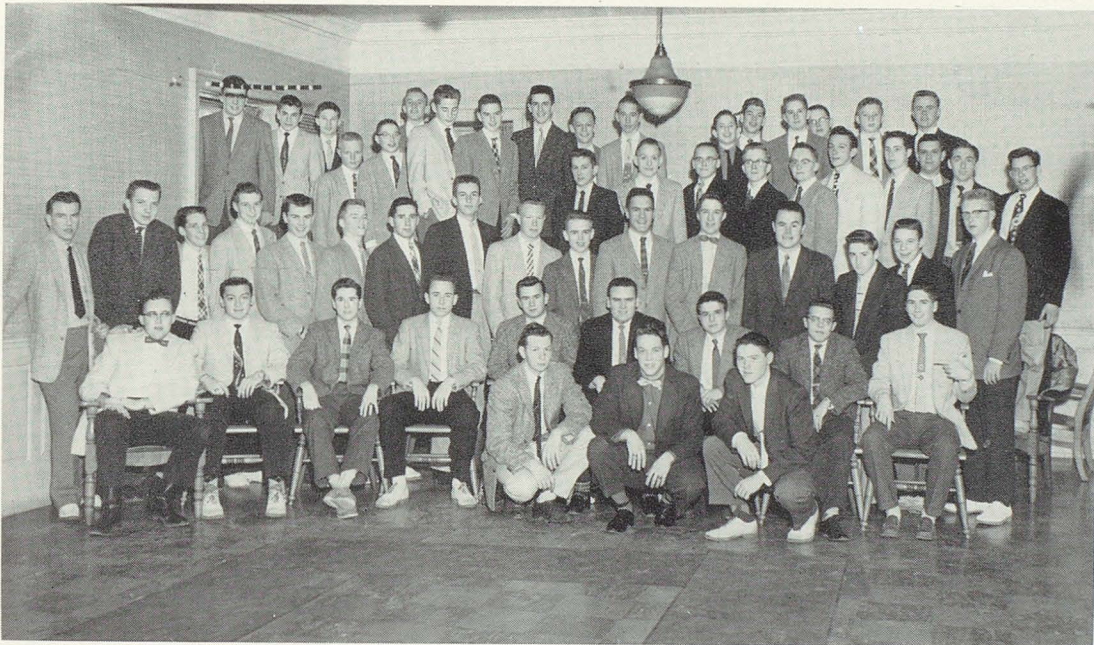

"A Festive Night in Paris" and what a night it was! The annual French Club Party gathered the songs of Academy students dressed in their finery for this gala affair.

Oh—those French Club picnics—what fun! Uninhibited and relaxed, the members had a marvelous time exploring the woods, singing, and of course, eating.

making all these activities and projects possible and successful.

Many thanks go to Miss Colby for

Camera Club

Tick, tick, tick says the metronome as it counts off the seconds of exposure for an enlargement. This noise is heard quite frequently if one steps into the Holden Hall darkroom on an afternoon. It might be several members of Gould Academy's Camera Club, or it might be someone just passing the time away making some prints or developing a film of his own.

The Club has many activities during the year, such as taking pictures at football games, at dances (such as the Sadie Hawkins dance), during carnival week-end, and other interesting things that go on at Gould during the year. The Club also provides some pictures for the *Blue and Gold*, the *Academy Herald*, and for local newspapers.

Each year the Club holds a total of sixteen meetings, these being held every other Tuesday. The first meeting is for old members for the purpose of electing Club officers. This year's results were as follows: President, Ronald Willard; Vice-President, Larry Bragg, Secretaries, Hilda Hubbard and Ruth Willard, Treasurer, Walter Beebe, and manager of Holden Hall darkroom, Jon Day.

At these meetings one of the following usually took place: a movie on films, lenses, kinds of cameras, etc., slide talks by some Club members, or expert talks and

demonstrations given by our very capable advisor, Mr. Gayle A. Foster.

Members are able to buy photographic supplies through the Club. Peter Karpovich, Larry Bragg, and Stan Fuller handled the supplies and had a good supply of chemicals, paper, and tanks on hand.

Contests are held during the year of various types. The most popular one is the print contest.

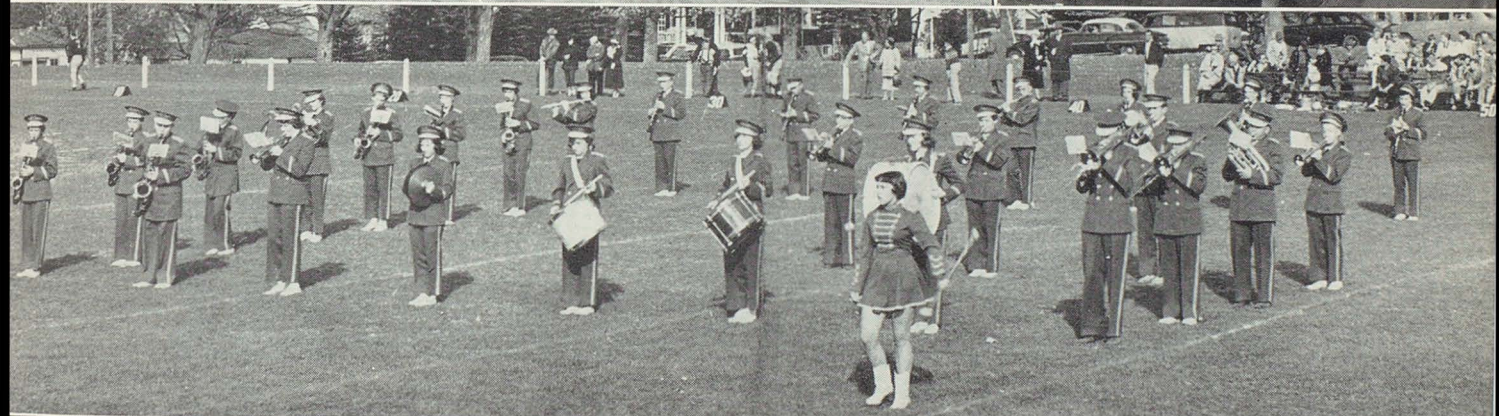

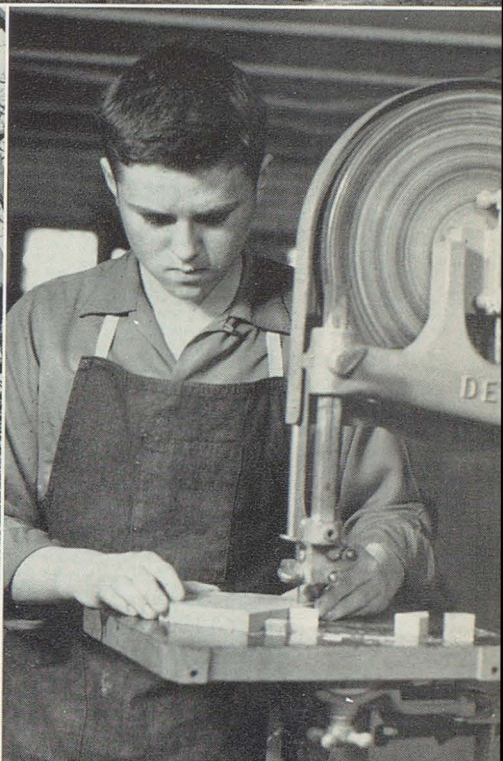

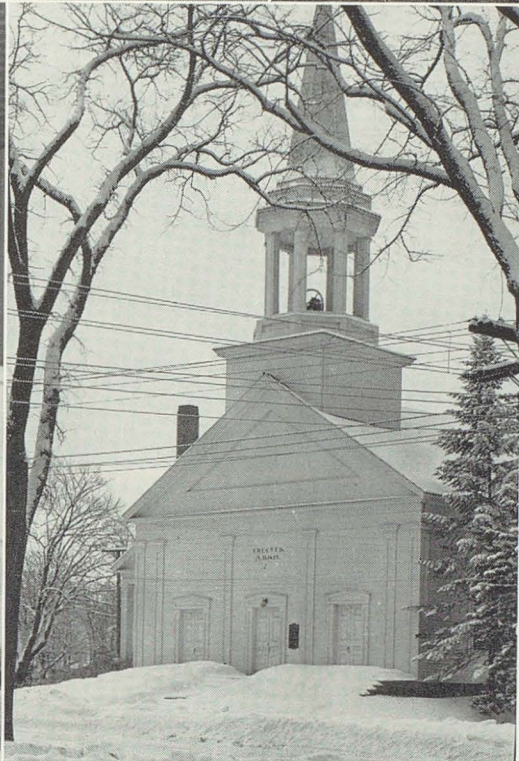

Members are entitled to use the two darkrooms, one in the girls' dorm and one in the boys' dorm. Hypo is furnished and fresh developer is always available at cost. As usual, many members made their own photo Christmas cards.

At the end of May, preparations are begun for the annual show, in which are displayed prints of yesteryear, prints made by members in the past year, and prints of professional photographers. The show is held from the 3rd to the 10th of June.

As the school year of 1956-57 comes to a close, many thanks go to Mr. Foster, the officers, and the other members of the Club for making this the successful year it has been.

Future Homemakers of America

Under the able leadership of President Deanna Rugg and Faculty Advisor Miss Whitney, the F. H. A. has had a most successful year. The officers for this year, elected at an elaborate initiation last spring, were as follows:

President	Deanna Rugg
Vice-President	Kaye Blake
Secretary	Evelyn Winslow
Treasurer	Sandra Olson
Historian	Nancy Davis
Parliamentarian	Jo-Ann Roderick
Reporter	Ruth Stevens
Song Leader	Alberta Rugg

In October a large group of F. H. A. girls attended the regional meeting at South Paris. Many schools in this district were represented at this meeting, the theme of which was "Towards New Horizons."

Plans are now being made for the girls to attend the State Convention to be held in Augusta this spring.

The regular meetings of the F. H. A., held once a month, have included an interesting talk by Miss Jane Reed, State Advisor, on what other schools are doing in F. H. A. Plans for a Christmas party for the town youngsters, skits, discussions, style reviews, and yard cleaning have all been successful.

In this and other work, the girls are constantly striving to accomplish the eight purposes and goals set up for them by the National F.H.A. 1) To promote a growing appreciation of the joys and satisfactions of homemaking. 2) To emphasize the importance of worthy home membership. 3) To encourage democracy in

home and community life. 4) To promote international good will. 5) To work for good home and family life for all. 6) To foster the development of creative leadership in home and commun-

ity life. 7) To provide wholesome individual and group recreation. 8) To further interest in home economics.

Dramatics

Although Gould does not have an active dramatics club, many in the student body do enjoy participating in the annual three one-acts plays at Carnival and the Senior Play in the spring; these theatrical efforts are very well performed and are always attended by a large crowd of students and friends.

The first of the one-act plays during Carnival was a light comedy "What's Wrong With the Girls!", humorously involving a psychology professor (Herbert Morton) who lectures to his audience on the faults possessed by the modern girl. To illustrate his points, he used Jewel Bean and Mark Freeman as examples. A heroine of the girls (Elizabeth Stevens) arises from the audience to refute his arguments, using Dennis Robertson and Lorraine Cole to illustrate the faults in men. As the curtain falls, the professor seems persuaded and even appears to have become quite infatuated with the feminist herself, as they stroll arm in arm off the stage. The entire cast included Elizabeth Stevens, Jewel Bean, Lorraine Cole, Donald Christie, Mark Freeman, Herbert Morton, and Dennis Robertson.

The second play was "Romance Inc.", the comedy of a young woman manager of a travel bureau (Mary Luxton) who is about to lose her job because of poor business. At that point of despair, a haughty aristocrat and her daughter (Dianne Amrhein and Mary Head) appear to arrange for two long tours, providing a wealthy young bachelor goes too. The latter cancels his trip and as a result so do the mother and daughter. However, the day is saved when a wealthy spinster books passage, hiring the manager as a traveling companion. The young man re-books his trip—as a result a shipboard romance is prophesied. Other important members of the cast were Marjorie Morton and Susan Merrill.

Concluding the evening's entertainment during Carnival was "Ah, Sweet Mystery!" It was an engaging play in which a detective-story writer, (Stephen Yeaton) guest of an elderly lady (Elizabeth Murrell) and her eccentric relatives, finds inspiration for his next publication when these people seem willing to kill each other to get possession of a lone copy of a magazine containing the last installment of this gentleman's thriller. Others in the cast included Maryl Erlenmeyer, Sandra Glenie, Hilda Hubbard, William Taillon, Jane Yeaton and David Watson.

SENIOR PLAY

After four weeks of intensive rehearsals under Mr. Thompson's direction, the Senior Play, *Onions in the Stew*, dramatized from Betty MacDonald's hilarious book, was presented before a very responsive audience in the William Bingham Gym on the evening of Friday, May third.

The plot deals with the complications arising at the island home of the MacDonalds, who live ten miles off the coast in Puget Sound, when their old re-modeled house starts to disintegrate and their teenage daughters have boy troubles.

In the leading roles of parents, daughters, and boy friends, Betty Murrell, Russell Patterson, Sylvia Cram, Barbara Leach, Joseph Brenchick, Ronald Willard, and Tim Richardson were very effective. In character roles, Elizabeth Stevens, Dianne Amrhein, Nancy Bales, Jane Yeaton, Donna Bartlett, Nancy Corkum, Judy Graffman, Dennis Robertson, Kenneth Nowlin, Dianne Mitchell, Patricia Elliman, Jere Snell, John Giddings, Carol York and William Anderson did excellent jobs. Although not seniors, Marjorie Morton and Richard Stevens, as romping contemptuous children, were hilarious in their few minutes on stage, rounding out a cast which did full credit to the play.

This play, the conclusion of the dramatic productions of the year, was undeniably enjoyed by all to the greatest extent, being one of the bigger events of the school year.

Much appreciation goes to Mr. David Thompson who so patiently directed the Gould Academy theatrical productions of 1956-1957.

Football

On Wednesday, September fifth, candidates for a strong Husky squad gathered with Coach Scott, assisted by Coaches Kailey and Roderick, to acquire a smattering of knowledge of the rules and regulations, as well as of uniforms.

Three weeks hence, on September 29, a confident, polished squad, led by Captain Jim Murphy, journeyed to South Paris to render the opponents scoreless, while the Huskies ground out thirteen points. In the second quarter, Captain Murphy made large gains, with Jim Hill finally carrying the pigskin for the T. D.

Jerry Smith charged over for the extra point.

In the final period, Jerry Smith carried

the ball for the second T. D. from the 18 yd. line. The try for the extra point failed.

Saturday, October 5th, the Huskies defeated the Norway High gridsters, on Norway's home field, by a score of 31-0.

Jerry Smith tallied two touchdowns in the first quarter to make the score 12-0.

In the second quarter, Captain Murphy scored another T. D. and rushed the extra point.

In the fourth quarter, quarterback Ted White secured two more T. D.'s for the Huskies, thus obtaining a score of 31-0.

On the pleasant afternoon of October thirteenth, the Huskies entertained a huge

Parents' Day crowd by downing Lyndon Institute with a score of 13-7 and retaining their winning streak.

Early in the second quarter, Jerry Smith scored after a hard march by the powerful backfield. Jim Hill carried for the extra point.

Late in the second quarter, Lyndon secured its only T. D. in a spectacular play by use of a side lateral. They also ran the extra point.

In the opening play of the fourth period, Jim Hill charged around right end for a 40-yard run and a T. D. This ended the third straight victory.

On Saturday, October 20th, the team upset a favored Berlin 26-12 at the Berlin field. Berlin scored first with six points. On the Berlin kick-off, Ted White sped 75 yards for the T. D.

Captain Jim Murphy tallied another six points to double the score.

By use of Coach Scott's two platoon system, Captain Murphy again swept over. The extra point was also obtained.

In the fourth quarter, quarterback Bill Anderson crashed through for another T. D., Paul Stevens kicking the extra point. Berlin scored again in the final minutes of the game.

The next game, October 27th, brought the Huskies' only loss of the season, against undefeated Mexico.

The Pintos scored early with a 55 yard run. Again the pigskin came to rest near the Huskies' goal line. Mexico quickly scored. Captain Murphy then carried the ball for the only Gould T. D.

Mexico came back in the second quarter to score. They also scored twice more in

the game.

The last game of the season was played on the Husky field, November third, against a traditional rival, Fryeburg.

Early in the first quarter, halfback Jim Hill made a 40 yard run climaxed by a T. D. Paul Stevens easily kicked the point.

In the second quarter, a powerful backfield, consisting of Hill, Captain Murphy, and Smith, fought for yardage until Hill crashed over for the T. D.

The Huskies' third tally proved to be the highlight of the game. Anderson successfully executed a 30 yd. pass to Murphy; Al Sumner passed far into the end zone where John Giddings retrieved the ball with one hand, while he warded off would-be tacklers.

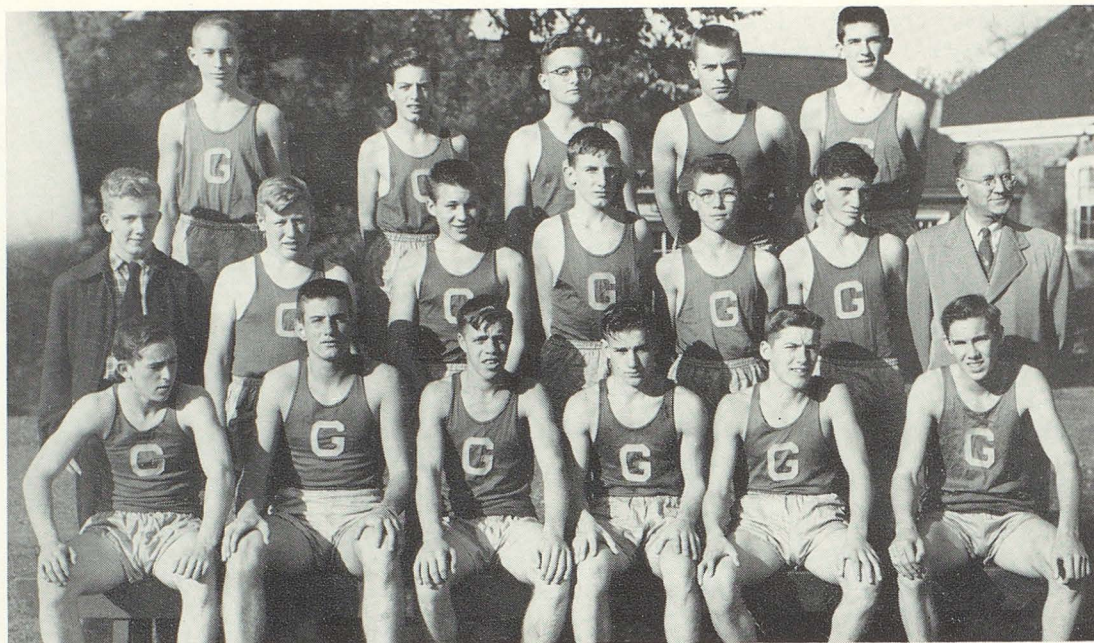

Fryeburg scurried over from the nine yard line for their only score and ended the exciting ordeal 19-6.

This has proved to be one of the most successful seasons for the squad, as they were led by Captain Murphy and a speedy, strong backfield to a five out of six tally.

We wish Captain-elect Alan Ordway and his team as successful a season next year.

Teammates who have ground out their last yardage for the Huskies include: Captain Jim Murphy, Bill Anderson, Russ Patterson, Paul Stevens, Jack Reid, John Giddings, Terry Russell, Stan Cornwall, Ken Nowlin, Jere Snell, Walt Kittredge, Joe Brenchick, Tim Richardson, Bill Ripley, Dennis Robertson, and Ronnie Willard.

STATE CHAMPS

In 1956 Gould cross country had the best year it has ever had. Starting out the season, Coach Fossett had a nucleus of five lettermen to build upon. Soon, after a few weeks of hard practice, the team had its first meet.

To replace a meet scheduled at Dixfield, which had been canceled, Gould ran at Kennett High in Conway, New Hampshire. We won by a perfect score, 15-50. Captain Phil Korhonen and Richard Grover tied for first. Then Melvin Jodrey, Guy Whitten, and Eldred Rolfe came in, followed by Jerry W. Smith and Steve Randall.

Gould's second meet, at Gould, was with an old competitor, Fryeburg. Phil Korhonen won easily, coming across the finish line well in the lead of all the other runners. He was followed by Melvin

Jodrey, Eldred Rolfe, and Richard Grover. Robert Payne of Fryeburg came next, but following him were Steven Randall and Guy Whitten, both of Gould. The final score was 16-46.

At our third meet, Phil Korhonen ran his best time for our course. He raced the 2.6 miles in 12 minutes, 59 seconds, just three seconds under the record. After him came Jodrey, Grover, Whitten, and Rolfe. Because the first five places for each team are all that count, we won 15-47.

Our fourth meet, at Gorham, Maine, didn't look as easy as the others, Gorham having won six races before the one with us. However, led by Captain Korhonen, who ran the 2.5 miles course in 13 minutes, 31 seconds, our squad won. Jodrey and Grover finished second, followed by Rolfe, Whitten, and Randall.

Running in a cold rain, Gould's two

teams won a final victory at Hebron Academy. Phil Korhonen again showed his stuff, splashing in in first place. Jodrey, Grover, and Rolfe followed, and Guy Whitten came in eighth to complete our score. We won 18 to 37; the "J.V.s" also won their meet, 19-38, Don Angevine of Gould winning the race.

As a climax to a wonderful season, Gould's Cross Country Team traveled to Orono on November first and won the State Class M Championship. The whole team seemed bent on winning first place, for at the first turn, all of the members were in the lead of the other nine schools.

Our first man in, Phil Korhonen, was second in the race. Melvin Jodrey placed fourth in the race, second for Gould. Jerry W. Smith, running his best race of the season, finished third for us. Guy Whitten finished fourth, right behind Smith. Richard Grover was fifth for Gould. When it was all over, we came out champions with 56 points.

Next year should bring a good season, with four returning lettermen. Good luck!

JOHN VINTON, '59

BASKETBALL TEAM

Front row, (left to right): Fred Feitler; Guy Whitten; John Giddings; Mike Stowell; Ted White. Second row: Mr. Brewster; Bill Gallagher; Steve Smith; Bob Felt; Al Sumner; Leroy Brown, manager.

Basketball

Plagued from the start by lack of experience and inconsistent shooting, Gould's Varsity Five was able to eke out only two victories in fifteen attempts. With just Jim Murphy and Captain Giddings returning of last year's lettermen, Coach Brewster had little time to prepare an inexperienced squad for the first game against a smoothly-working, highly polished quintet from Mechanic Falls.

Gould's scoring punch seemed to lie primarily in the hands of Guy Whitten and Captain Giddings, supplemented, not often enough, by Mike Stowell, Fred Feitler, Ted White and Jim Hill.

After losing to Mechanic Falls, South Paris, and a close game with Bridgton, the Gould Five finally got into the win column by trouncing Norway 52 to 38. Whitten was high man with 18 markers, followed by Giddings with 15 and Ted White, at guard, with seven.

Although hoping to keep in this winning way, our boys failed to triumph, despite showing good fight, and dropped games to Mexico, Old Orchard Beach, and Farmington. The Farmington game found Gould in front for three-quarters of the game, only to be overcome in the final stanza by a 44 to 41 margin.

Gould rebounded, after a defeat at the hands of Bridgton, to again take Norway, this time to the tune of 54 to 40; Whitten, scoring 23 big points, was ably aided by Giddings and Stowell, who each racked up ten. This was Gould's last win of the '55-'56 season.

After tasting a final defeat at the hands of Farmington, in what turned into a real tussle, Coach Brewster and the team's only consolation lay in the hope of a good team in 1958.

Lettermen for the '57 season were: Captain John Giddings, Guy Whitten, Mike

Stowell, Ted White and Fred Feitler. Those seniors who played their last basketball at Gould include Captain John Giddings, Fred Feitler, Jim Murphy, Jere Snell and Eldred Rolfe. These faces will be missed in 1958. Sure to form the nucleus of next year's team are: Captain-elect Guy Whitten, whose better than 15 points-per-game average led Gould scorers, Mike Stowell, Ted White and Jim Hill. Those underclassmen who played both

J.V. and Varsity ball and are sure to be in the thick of it next year are: Bill Gallagher, Albert Sumner, Bob Felt and Steve Smith.

As usual, Coach Bowhay's Jayvees did an outstanding job playing some real thrillers, winning six while losing five. Many of these boys will go into Gould's future varsity teams and deserve a lot of credit for the fine job they did this year. Best of luck to the team of 1958!

Winter Sports

This year's ski team was hampered by injury of their two four-event men during the season. The team, coached by Mr. Kailey, was comprised of Captain Richard Saunders, Bill Anderson, Dave Fox, Bill Ide, Holly Cotton, Jerry Smith, Al Ordway, Melvin Jodrey, Keith Brown and Sam Appleton, with Terry Russell as manager.

The first meet of the season was with Holderness on the Gould slopes. The jumping event was not held on account of lack of practice by the New Hampshire team. The other three events showed Gould on top, with Jodrey taking a first in cross country and the rest of the team behind him to take the first six places. Ordway was first in the downhill, with Ahlgren of Holderness behind him for second position. Jodrey, Smith and Saunders chalked off the next three places for Gould. Jodrey was again Gould's

top man with a second in the slalom, Ordway taking a fourth. Ahlgren of Holderness took the other two top spots. The totals showed Gould out in front with a score of 294.77 to 279.81.

The next meet was here with Lyndonville, Vermont. Jodrey marked off another victory in cross country, with Anderson and Fox taking second and third, the rest of the Gould slabmen finishing in the first seven places. Ordway, Ide and Anderson took the first three places in downhill, respectively. Although Cotton took first in the slalom, a tie for second by the Vermont men edged Gould out in this race. Gould came back in the jumping with a first, second, fourth and fifth—Smith, Fox, Ide and Saunders. The final tabulations showed Gould ahead of the Vermont team.

Edward Little played host for the skiers the next weekend at their Winter Car-

nival, at which Rumford, Kennett, Farmington, and Berlin were present. The slalom at Bridgton, on Friday, showed the Gouldites well behind, with Saunders, as our best man, in eleventh spot. The downhill was canceled because of lack of snow. The next day, having good team scores in the Nordic events, Gould pulled up into third position with Ide, Anderson and Fox, who took tenth, twelfth, and fourteenth places in the cross country and Smith and Saunders taking sixth and twelfth places in the jumping. The final score showed Edward Little out ahead of the other teams.

The Kennett meet was next on the schedule. The Alpine and jumping events were held at Intervale, New Hampshire, with the cross country at Cranmore Mt. The slalom pulled our team down considerably, the first three men in the running order taking bad spills. Bill Ide was our only four-event man left after Jigger Jodrey's spill in the downhill two weeks before; this misfortune lowered our chances in the state meet. Ordway was Gould's first man in the slalom, taking a fourth, Cotton and Appleton following closely with fifth and sixth positions. Smith took a second in the downhill with Ordway and Saunders taking a fifth and sixth. Gould proved best in the Nordic events, as Smith, Fox and Saunders took the first three places in the jumping; Ordway took fifth; Bill Anderson, Dave Fox, and Keith Brown took second, fourth and fifth in the cross country. The final totaling of the scores showed Gould just ahead of the Kennett boys, with Hanover and Laconia trailing some distance behind them.

The next weekend Gould headed towards Sugarloaf and Farmington for the State Class A Championships. The slalom again pulled us down at the start of the meet, with three of our men falling. Cotton and Ordway made the only standing runs, taking a fourth and a sixth respectively. In the downhill, Ordway took fourth place and Smith and Saunders took the sixth and eleventh positions. The Nordic events were held at Farmington the

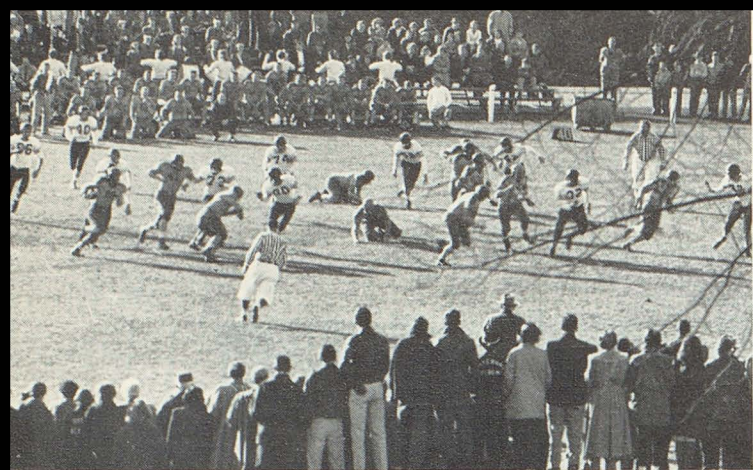

next day. Gould was again bothered by injuries, as Saunders took a bad fall in the jumping, enabling Stephens High of Rumford to gain two more points on Gould. The cross country boys pulled through, with Fox and Anderson taking ninth and tenth positions, beating Rumford by .16 points. Gould held third place in the meet, enabling our team to attend the New England Interscholastic meet at Lyndonville, Vermont on the following week.

The downhill at Burke Mountain proved fatal for the Gould men, with three taking bad falls. Only Saunders and Cotton had standing runs with twenty-second and thirtieth positions. Gould was in ninth place out of ten teams going into the cross country on Friday afternoon. Again the cross country men came through with a good team score. Fox placed in fifth position, and Anderson, Smith and Brown took eighth, twelfth and nineteenth positions respectively. The team headed back to Burke Mountain for the slalom on the following day. Although four of our men had standing runs, they were slow compared with the other teams. Cotton was first for Gould with a sixteenth; Ordway and Saunders took twenty-first and twenty-third positions. Only a few points behind North Conway when going into the jumping, the team managed to beat the Kennett boys and gained fifth place in the meet, with Smith taking a fourth and Saunders a sixteenth spot. The final scores showed Edward Little of Auburn to be in first place, followed by Lebanon and Farmington.

Gould did not attend the Easterns on account of the lack of interest by other New England teams and the long distance to Old Forge, New York.

Prospects for next year look exceptionally good, with Bill Anderson and Dave Fox being the only graduates. Under the fine coaching of Paul Kailey and with the number of lettermen returning next year, the team should have a successful season.

BASEBALL, 1956

Front row, (left to right): Russell Patterson; Jack Reid; Captain John Manter; Bob Crane; David Willard; Eldred Rolfe. Second row: Coach George Bowhay; Bill Anderson, captain-elect; Merle White; Joe Watson; Dave Knight; John Giddings. Third row: Terry Russell; Everett Saunders; Jerry Smith; Fred Feitler; Herbert Morton, manager.

Baseball

With seven lettermen returning from the 1955 team, Coach Bowhay began the season with hopes of building a winning ball team. The team lacked depth at the plate and enough starting pitchers, thus managing to win only four out of thirteen games. Gould missed such dependable players as Phil Rowe, Verne Corkum, Ed Burnham, and Howard Rolfe.

Players who earned their letter in baseball in 1956 were: Captain John Manter, Bob Crane, Dave Willard, Joe Watson, Eldred Rolfe, Dave Knight, Russ Patterson, Jack Reid, Bill Anderson, Fred Feitler, Merle White, and Herbert Morton, manager.

After several weeks of practice in the field house, Gould opened its season at Norway on April 25. Gould bowed 8 to 6 as Bill Anderson and Merle White pitched for Gould, with White taking the

loss. Joe Watson hit three singles to lead Gould at the plate.

Gould entertained Dixfield on April 28 and was defeated again by two runs, 7 to 5. Elliot and Stone combined to stop the Huskies with only five hits, while striking out eleven. Bill Anderson pitched for Gould and suffered the loss.

Still looking for their first win, Gould met Mexico at Bethel on May 1 and lost, 13 to 5, to a powerful Mexico team. Brown and Stewart pitched for Mexico and were never in serious trouble.

Gould finally hit the win column by an 11 to 5 win over South Paris at Bethel, May 5. Bill Anderson pitched all the way for Gould, striking out thirteen and allowing only seven hits. Bob Crane led the attack for Gould with a home run and two singles.

With a one and three record, the Huskies traveled to Fryeburg on May 8 and were defeated by a 12 to 6 margin. Kiesman fanned ten and scattered seven base hits in picking up the win. John Manter and Merle White shared the pitching chores for Gould, Captain Manter taking the loss.

On May 11, Gould played a return game against Norway at Bethel and won a thriller by a 9 to 8 score. Bill Anderson won his second game for Gould, striking out ten opponents.

Gould journeyed to Bridgton on May 15 and was trounced 13 to 0 by a strong Bridgton club. Douglas pitched the shut-out for Bridgton and was never threatened by the Gould offensive attack. Anderson, the losing pitcher, and Eldred Rolfe shared the pitching for Gould.

Bill Anderson pitched for Gould, this time stopping South Paris at South Paris on May 19, with a 9 to 1 victory. Merle White slammed a double and two singles to lead Gould at the plate. Gould banged out ten hits in all, as it enjoyed one of the best days of the season.

With an unimpressive three and five record, Gould traveled to Dixfield on May 22 and lost 5 to 2. Merle White pitched well for Gould but was out-done by Elliot who struck out ten. Fred Feitler, with a double and a single, and Everett Saunders, with two singles, led Gould at the plate.

On May 25, Gould played host to Fryeburg Academy and overpowered the visitors 15 to 7. In this slugfest, Merle White slammed a home run and two singles, and Jerry Smith came through with two long triples; nearly every Gould player hit safely at least once. Bill Anderson picked up his fourth win of the year for Gould.

Gould met Bridgton at Bethel on May 29 and suffered a 16 to 6 defeat. Gould managed only eight hits from Douglas of Bridgton, while being caught on strikes ten different times. In trying to find a pitcher who could share the load with

Anderson, Coach Bowhay started Jon Jenckes, who was replaced by Anderson in the sixth inning. Merle White slammed a home run and a double to lead Gould at the plate. Douglas pitched his second win over Gould and again struck out ten.

With a four and seven record, Gould journeyed to Rumford, June 2, where they lost to Mexico High School by a score of 10 to 7. Anderson gave way to Eldred Rolfe in the fifth inning when he lost his control. Wildness cost Gould the game, as Mexico sent five runs across on only two hits. Merle White again proved to be Gould's most dependable hitter by collecting a double and two singles. This ended the regular season with four wins and eight losses.

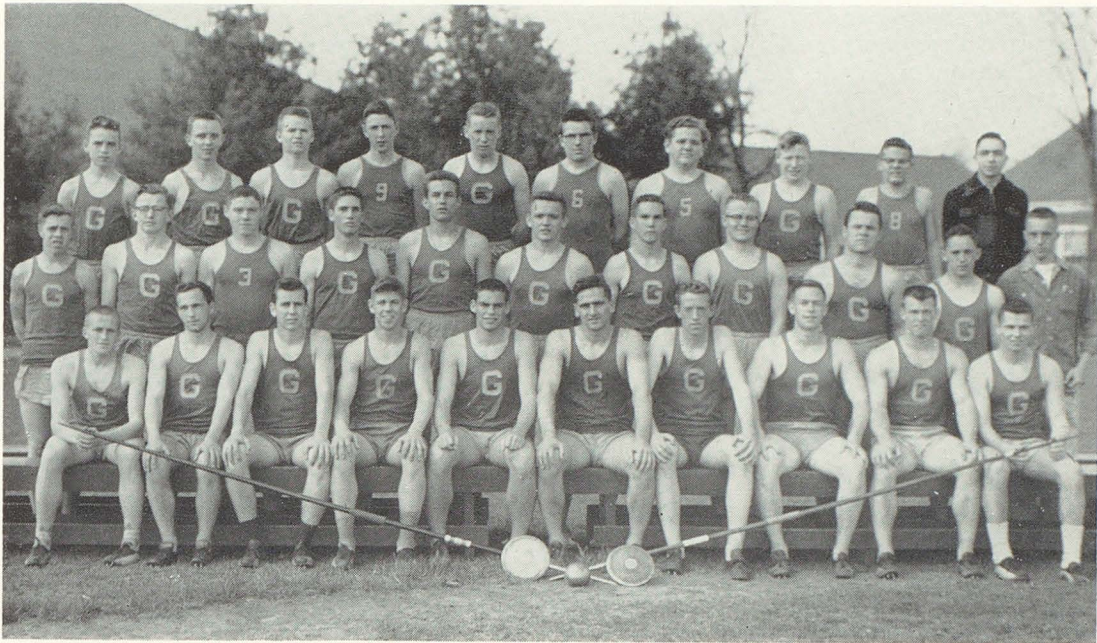

In the annual Alumni Game, played on Alumni Field, June 9, the old-timers won easily by a 5 to 2 score. Curt Meade, '55, struck out fourteen in this seven inning tilt with his blazing fast ball and a good curve. Phil Rowe, '55, who played for four years as shortstop for the Gould Varsity, returned to slam a home run and two doubles in four trips to the plate. Dick Trimback, '55, a track star while at Gould, came back and showed his baseball abilities as he banged out two singles, stole two bases, and scored twice. Gould could collect only two hits from Meade, both of which were singles.

Other Alumni returning besides Meade, Rowe, and Trimback included Bob Croteu, '48 catcher; Phil Corey, '54; Raymond Chase, capt., '51; Dick Onofrio, '54; Carl Wight, '46; Paul Fossett, '54.

Lettermen not returning for the 1957 team were: Captain John Manter, Merle White, Joe Watson, Dave Knight, Dave Willard, and Bob Crane.

Bill Anderson, a hard working, dependable pitcher, was chosen to be the 1957 captain.

TRACK, 1956

Front row, (left to right): Kenneth Rafuse; Frank Benson; Harry Reid; Alan Lamson; Co-captains, Norman Hill and Rod Barlow; Arthur Mills; Joel Stevens; Howard Brush; Jeff DiBiao. Second row: Phil Korhonen; Ronald Willard; David Fox; Jere Snell; Guy Whitten; Jim Murphy; Paul Stevens; Tim Richardson; Bill Taillon; Mel Jodrey; Manager Keith Bennett. Back row: Billy Gallagher; Jed Erskine; Larry Bragg; George Chase; Albion Beverage; Eric Wight; Paul Murphy; Tim Carter; Bill Beebe; Manager Mat Slobin.

Track

Gould thinclads, coached by Mr. Roderick and Mr. Scott and led by Co-captains Norman Hill and Rod Barlow, finished their '56 track season undefeated, with the County and State Championships under their belts.

The Husky cinder combine won one three-way meet and three dual meets before entering championship competition, the closest score being Gould 69 1/6 and Stephens 57 1/2 in Gould's first three-way meet. Their two championship victories were their eighth consecutives in county competition and their fourth straight Class M state title.

In Gould's opening three-way meet, on April 28, they met Stephens and Jay on Hosmer Field at Rumford. This meet ended with Gould on top, Stephens second, and Jay a poor third, with 69 1/6,

57 1/2, and 14 1/3 points respectively. Howard Brush, being Gould's only double winner in the meet, led the pack with top honors in both the shot put and the discus. His shot put of 46 feet, in this meet, was farther than any previous Gould athlete had thrown it. Six other thinclads followed in Brush's footsteps in this meet, Barlow bringing home first place in the javelin event; Lamson, first in the broad jump; Jodrey, first in the mile; Murphy, first in 220; and Stevens, first in the high jump.

On May 4, the Gould tracksters continued along their winning way by overpowering Farmington High by a score of 68-49. Brush once more paced the Huskies by capturing his usual two titles alongside of Joel Stevens, who tallied two firsts in the high jump and broad jump events. Besides this, Gould took four first

places and five seconds. The pole vault ended in a three-way tie, Paul Stevens and Alan Lamson of Gould being two of the contenders.

In Gould's second dual meet, we racked Cony High of Augusta on Gould's home field — $65\frac{1}{2}$ to $51\frac{1}{2}$. It was in this May 12 meet that Howard Brush put the shot the tremendous distance of 46 feet $6\frac{1}{2}$ inches to shatter the record previously set by Erwin Bacon in '53. Following this fine showing, Brush also brought home a first in the discus throw, a second in the javelin event, and a third in the hundred yard dash. Close behind Brush, dependable Joel Stevens came through with firsts in his specialties, the high and broad jumps, and also, claimed a second in the 220 yard dash. Brush and Stevens, 14 and 13 points respectively, were responsible for better than a third of the total Gould score.

At this point in the season, after defeating two Class L schools, it was obvious that the Huskies would make a good showing in the championship competition.

In one May event, Brush came through, in his typical style, to spur the three-time winners to their fourth victory in four tries. Stevens, also, helped lead the attack on the Winslow team; Brush grabbed top honors in the discus, 100 yard dash, and the shot put, along with a second in the javelin event. Stevens, as usual, victored in the high jump, tied for top honors in the broad jump, and gained a second place in the 220. The thinclads also took a number of second and third positions. Gould's winning score over this tough opponent was $69\frac{9}{10}$ —Gould to $50\frac{1}{10}$ —Winslow.

Another May contest found Gould's Huskies opposing four other schools on Gould's own home field, our team winning this Oxford County Meet with a score of 63 points, Stephens being second with

45 $\frac{5}{6}$ points, and third and fourth places going to Fryeburg with $18\frac{1}{2}$ and Oxford with $11\frac{2}{3}$ points. The high event of the day was Co-captain Rod Barlow's record breaking javelin heave of 160 feet, 3 inches. The record of 158 feet 3 inches had stood since 1941. Although the Huskies claimed only three first places and tied for another, their second and third place victories brought up their score. Besides Barlow's winning throw, Mel Jodrey took the mile run with a time of 4:50.7, Joel Stevens leaped 19 feet 8 inches to win the broad jump, and Paul Stevens and Harry Reid tied for a first with an Oxford man, with the bar at nine feet.

By placing four men in top positions, on May 28, the Gould tracksters took the medium-sized State Track Championship with a score of $36\frac{1}{2}$ points to second place Winslow with $27\frac{1}{2}$. Co-captain Barlow once more came through with valuable points by capturing first place in the javelin event with a throw of 154 feet 2 inches. Capable sprinter Jim Murphy took top honors in the 440 yard race with a time of 54.7 seconds, and Paul Stevens vaulted to victory in his specialty, the bar being at ten feet.

The thrilling event of the meet was Jodrey's win of the mile event, with a time of 4 minutes and 43.1 seconds, despite the tremendous handicap of being spiked and losing a shoe during the first quarter mile. Also scoring for the Huskies were Al Lamson, who gained second position in the broad jump, and Joel Stevens, close behind with fourth. Howard Brush added valuable points by placing third in the shot put and fifth in the discus, and Art Mills drew fifth in the high hurdles.

The thinclad lettermen chose a fine point-getter, Paul Stevens, for next year's captain.

Girls' Physical Education

The girls started off this year with a new and spirited young physical education teacher—Miss Duffy.

Miss Duffy was not the only change in girls' physical education this year, as a stitch was picked up that had been dropped many years ago with the end of girls' interscholastic sports. This year, the girls made a good showing against Kents Hill in the following four sports: hockey, basketball, skiing and softball. The fact that these sports are now interscholastic has definitely aroused greater enthusiasm and participation and is to be considered as a milestone in girls' sports here.

During the period between the hockey and volleyball season, the girls played speedball, a combination of hockey and football. Also at this time, the seasonal activities, hiking and badminton, were enjoyed by many.

With the coming of cold weather and frozen ground, the girls retired to the gym for volleyball. Although volleyball was not played interscholastically, class teams and a Blue and Gold team were chosen. A co-ed game was played between the selected juniors and seniors.

Before Christmas vacation, the girls plunged into the techniques and skills of basketball, which were put to use after vacation for class competition and in preparation for the meet with Kents Hill.

As the snow slowly melted away, the girls were out-of-doors for daily gym classes, playing softball. With their many promising athletes, the girls had a very good season.

Aside from the interscholastic sports, fall and spring tennis was taught under the expert coaching of Mrs. Richardson. This, too, was competitive, in that a

tournament was held including any girl who desired to participate in this sport. Thanks, Mrs. Richardson!

Miss Colby was often seen teaching the girls archery on Mr. Ireland's back terrace. Later the archery targets were set up on the vacant lot by the infirmary.

Miss Duffy has given the girls a daily workout with her helpful but strenuous exercises. These were used in fulfilling

the motto of physical education: "To promote physical fitness."

Miss Duffy, the idol of the girls, has aided us all in every possible way. She has assumed the responsibility of advising the cheerleaders, which has definitely been helpful. Thanks to you, Miss Duffy, for all your help and understanding.

Boys' Physical Education

The favorite period of the day for most of Gould Academy's male students is physical education, "gym" to the participants. Every day forty-five minutes are set aside for this extensive program. The active classes are supervised and counseled by "Joe" Roderick, who is liked by everyone that knows him.

In the fall, the boys start out easily, each class having only to run one or two laps before the actual class begins. To keep any one sport from getting monotonous, there are several different sports scheduled, each appropriate for the season. Touch football and soccer are usually played on the days fit for outside activities, while on cold or rainy days the boys play volleyball or some other indoor sport.

Also, this fall, for the second time, "Joe" conducted instruction on correct and safe handling of firearms. All the boys had a chance to handle and examine several makes of guns. Upon the completion of this course, a test was given. Anyone passing with a mark of 85% or above got the chance to take one day off for hunting, with the opportunity of making up school work.

In the winter, the boys learn the fundamentals of basketball and have various chances to play. Soon after the basketball floor is laid, the trampoline is set up. Everyone receives basic instructions on this

apparatus after which he can practice and improve all he desires on his own time. Also tumbling is taught, and for the juniors and seniors there is work on the parallel bars and the "horse." The work on the latter is not given to the underclassmen because few of them have the muscles to handle themselves well on such equipment. Wrestling and boxing also are practiced.

In the spring, indoor softball is scheduled after the floor has been taken out. As soon as the athletic field is firm enough, this sport is carried-on in the open air along with soccer as an alternative.

Along in the latter part of winter, the boys put on a gym exhibition, showing about all they have accomplished in the way of physical feats. This exhibition is attended by a large crowd and enjoyed by all.

Each fall and spring strength tests are given in order to record each boy's growth and development. Lung capacity, weight, height, arm strength, leg strength and back strength are all measured and recorded. It's surprising how fast the boys grow and develop.

One surely learns something about everything concerning physical fitness in gym, thanks to "Joe" Roderick.
